DEPARTMENT REPORTS:

BUILDING PERMITS – none at this time

EMPLOYEE REPORTS – the board discussed some potential ADA improvements at the village hall that would include improvements to the paved parking and ADA ramps as well as increasing the width of the sidewalks to allow for more walking room when cars bumpers hang out over the sidewalk leaving minimal walking space. Also discussed was adding the electric openers to the doors. Suzanne also did a cost analysis of health insurance for employees, currently we do not offer this as we are not required due to our size. Just something to maybe look at as the cost of health insurance has gone up over the years and in order to add new staff or retain staff, it would be nice to have something to offer to employees.

LIBRARY REPORTS – 2 new desks have been ordered for the public library computers. They appreciate the new library sign and have discussed some upcoming events that they are planning for the library.

All agenda items having been considered, it was moved by Kyle and seconded by Mike to adjourn this Regular Meeting. Ayes: Kyle, Cory, Tanner, Mike. Nays: none. Absent: Davis. The motion carried and the meeting was adjourned at 8:22p.m.
