Signature by Property Owner denotes that all applicable building codes are to be followed and are the sole responsibility of contractor or property owner for the construction of the structure that such zoning permit is granted. A separate application is required for each structure.

Signature by Property Owner also denote permission granted to the Zoning Administrator to inspect the construction site in which zoning permit is granted at any time until structure is completed or until Certificate of Occupancy/Zoning Compliance is issued.

In consideration of the issuance of this permit, the applicant hereby certifies that the information in this application is true and correct, and hereby agrees to comply with the zoning, subdivision and floodplain regulations that are in effect. If in violation of regulations or through misrepresentation of facts, the zoning permit then becomes null and void and applicant may be subject to penalties established.
